Kappa Pendant

By Dainolite

Description

The Kappa Pendant adds geometric emphasis to a space with its unique profile. By utilizing negative space, the Kappa builds off of a cube, or cubes, that surrounds the central hub of lighting. Thus creating dramatic shadows and spacial weight. This transitional work of lighting is perfect over the dining table or in an entryway foyer. Available in Matte Black, Vintage Bronze, and Polished Chrome. UL and CSA listed. NOTE: Matte Black finish only available in 27 inch model. NOTE: 19 inch no longer available in Matte Black.
