## Paloma Chandelier

By Dainolite

### Description

The Paloma Chandelier combines elements of the past with design tastes of the future. From the down-rod a set of lights suspends around a set of metal arms that orbit around the lights. This unique style gives the Paloma a truly unique profile. Place the Paloma in the living room, entry foyer, or above a dining table to make a statement. Available in Matte Black or Vintage Bronze and in a one-tier or two-tier configuration. Damp location rated. UL and CSA listed. NOTE: No Vintage Bronze in two tier
