## Willshire Pendant

By Dainolite

### Description

The Willshire Pendant makes a subtle statement by combining a soft fabric against a cool, metal band. Each of the Willshire Pendants feature this metal band detail that circumnavigates the shade, bringing a refined overall look to this pendant. Place one over the dining table or as an entryway statement piece. Available with either a Black or White fabric shade and with an Aged Brass, Polished Chrome, Satin Chrome, or Matte Black finish. UL and CSA listed. NOTE: Black shade with Matte Black finish is not available.
