Origo Wall Sconce

By davidpompa

Description

The Origo Wall Sconce brings shadows and light into a new context. Pairing volcanic rock with glass. Light shines from the Opal diffuser showcasing the Black or White rocks uneven surface. The handmade recinto volcanic stone perfect in a variety of spaces. Handcrafted in Mexico. Includes a 4.72 inch junction box wall cover for U.S. junction box in white finish with White Rock or black finish with Black Rock (not pictured).

Shown in black rock / opal
