Humanscale

**DESCRIPTION**

The Horizon 2.0 Table Lamp has many talking points to claim and is suitable for the most discerning spaces. This beautifully designed lamp received a Red Dot Award and the Next Generation Luminaries Award for product design and performance, and has been accepted into the permanent collection of the Museum of Modern Art and Cooper Hewitt, Smithsonian Design Institute. This visually striking table or desk lamp offers glare free, even light. Features thin film LED technology, that dims from full brightness to nightlight levels. The precision brass ball joints allow for effortless adjustment. Choose from Twilight Blue, Arctic White, Morning Pink, Jet Black, Matte Silver and Bronze Gold finish. Includes manufactures 10 year warranty. Energy Star quantified.
