Atlas Pendant - Floor Model By Most Modest

## Description

The Atlas Pendant offers an innovative design in a minimalist fashion, incorporating the latest in LED technology and wireless full range dimming controls for a happy marriage of aesthetics and function. It features a sleek powder-coated spun aluminum shade paired with a frosted glass dome diffuser. Includes one wireless switch that is able to mount anywhere within 150 feet. It has 2 screw holes below the faceplate that allows mounting to any surface that accepts screws. It will never need batteries as it uses the energy created by pressing the button to transmit the signal. Manufactured in Grand Haven, Michigan. NOTE: This is a discontinued model and limited to quantity on hand.
