DESCRIPTION

The Atlas Pendant offers an innovative design in a minimalist fashion, incorporating the latest in LED technology and wireless full range dimming controls for a happy marriage of aesthetics and function. It features a sleek powder-coated spun aluminum shade paired with a frosted glass dome diffuser. Available with optional 20 inch cord with dual 2-amp USB-A ports suspended from the center of the diffuser. Manufacturer uses a wireless switch that is able to mounted anywhere the customer wants (within 150 feet). It has 2 screw holes below the faceplate that allows mounting to any surface that accepts screws. It also will never need batteries as it uses the energy created by pressing the button to transmit the signal. Manufactured in Grand Haven, Michigan.
