Suspenders 2-Bar Wall / Ceiling Light with Mezzaluna

By Sonneman

Description

Simple yet striking, the Suspenders 2-Bar Wall / Ceiling Light with Mezzaluna is made up of two slim power bars and five half-moon-shaped Mezzaluna Luminaires. In each luminaire, LED light radiates from the core through an acrylic light guide plate. The half moons can be attached anywhere along the power bar, individually or combined to form a full circle. Notes: Does not mount on a standard US junction box. The included transformer must be installed in a remote accessible location.

Shown in satin black / clear
