Description

The Castle Muse Pendant is inspired from Greek mythology, where Muses were goddesses that symbolized the greatest of arts and sciences. Today a Muse is defined as a person or object who is the source of inspiration for a creative artist. Seed Design has brought spark of ingenuity and created this masterpiece. Crafted with a combination of Opal glass and Concrete, Muse is stunning even in its simplest state. Note: Included bulb is not dimmable, however it can be replaced with a dimmable LED bulb which will work with more general dimmers.
