**DESCRIPTION**

The SOL Pendant has a low-key design with elaborate consideration. The ring like shade is finely affixed to a metallic luster balance bar, demonstrating the definition of understated luxury. The adjustable ring tilt allows the pendant to function almost like a planet floating around stars. The invisible LED strip makes the light source impeccable, with a gradual dimming capability, rendering it possible for you to re-create your own personal sunrise and sunset. Integrated dimmable LED driver (dimmable with a TRIAC dimmer, sold separately). Available in two sizes with a Matte Black with Shiny Copper finish. Canopy: 4.6 inch diameter. ETL listed.
