Type 80 Desk Lamp By Anglepoise

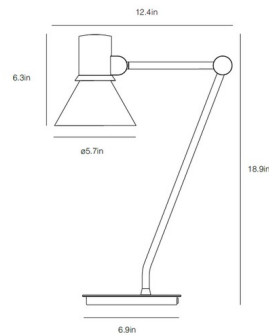

Description

The Type 80 Desk Lamp was designed by the renowned British industrial product designer, Sir Kenneth Grange. This clean and contemporary desk or table lamp is distinguished and features an attractive 'halo' of light that escapes from the conical shade, adding an extra dimension in low light environments. The streamlined styling and variety of colors make this a versatile fixture that will work with many decors. On/off switch is located on the shade. UL listed.
