Type 80 Pendant By Anglepoise

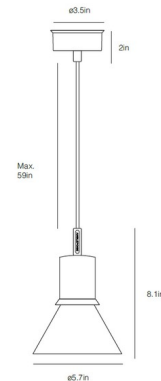

Description

The Type 80 Pendant was designed by the renowned British industrial product designer, Sir Kenneth Grange. This clean and contemporary pendant is distinguished and features an attractive 'halo' of light that escapes from the conical shade, adding an extra dimension in low light environments. The streamlined styling and variety of colors make this a versatile fixture that will work with many decors. Hang multiple pendants for additional pizzazz. Choose from Matte Black, Pistachio Green, Grey Mist or Rose Pink finish. UL listed.
