By Slamp

Description

The Overlay Table Lamp is the best gift to give passionate writers who have the freedom to create without having to do anything else. Without interrupting their inspirational flow, lift the pen and begin. The perfect writing lamp's shade is illuminated the moment one lifts the Montblanc Meisterstück Le Grand Ballpoint Pen, included with the lamp, from the leather rest on the brass base. LED courtesy light in the base, independent from the principle light source. Features a shade light source plus a base light source. Touch dimmer controls the base light. Lifting the pen from the leather rest turns on the main light in the shade.
