Decora Digital 0-10V Dimmer with Bluetooth Technology

By Leviton

Description

Decora Digital Dimmer with Bluetooth Technology allows you to use your smartphone or tablet and the Decora Digital Dimmer and Timer app to control, adjust and time lighting for daily activities. Provides local control within a 30 foot range without the need for a hub, gateway or internet connection, bridging the gap between traditional dimmers and whole house automation systems.

1200VA-120VAC, 1500VA-277VAC fluorescent ballast and LED power supply dimmer for electronic 0-10V, 60Hz, single pole and 3-way/ multi-location control. LED locator and brightness display. Neutral wire required. Suitable for use with Class 1 or Class 2 wiring. White, Ivory and Light Almond faces included. Simply install dimmer, download the free Leviton app, and pair to enable Bluetooth functionality.
