Atelier 32 Floor Lamp

By Venetian Designs

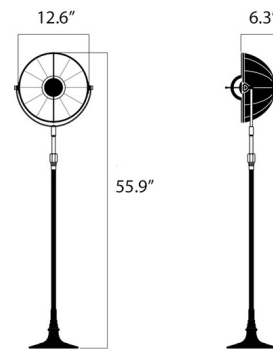

Description

Embrace the timeless appeal of a bygone era with the Atelier 32 Floor Lamp, a masterpiece of thoughtful design and adaptable illumination. This striking lamp showcases an aluminum circular shade providing exceptional directional control, with a full 360-degree swivel and tilt to cast light precisely where you need it. The innovative design places the light source within an inner circle, gracefully diffusing light off the larger outer circle for a soft, inviting ambiance. Constructed from robust aluminum and steel, the Atelier 32 Floor Lamp comes in a variety of captivating color combinations, ensuring a perfect match for virtually any interior design scheme. It's an ideal choice for contemporary settings, industrial-chic spaces, or transitional rooms that benefit from both focused light and a touch of sophisticated vintage charm. An easy-to-use on/off switch is located on the cord.
