## Tim Smoke Pendant By Bomma

### Description

The Tim Smoke Pendant is a monumental piece that marked Bomma's entry into the world of top level lighting. The sheer weight and size reaches the limits of what can be achieved by free form mouth blowing of glass. These impressive pendants embody design simplicity and glass making mastery. The glass is mouth-blown thus the intensity of color and gradient may slightly vary. TRIAC dimming. Note: 25.6 Inch Option: For fixtures over 50 pounds additional ceiling support, such as a robust 5/8 inch plywood backing, is necessary.
