## Phenomena Cone Pendant

By Bomma

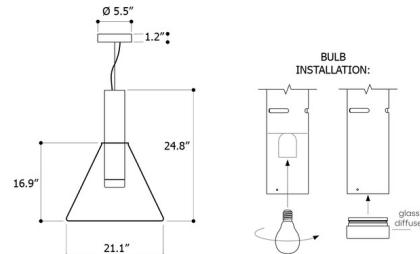

### Description

The Phenomena Cone Pendant was inspired by simple shapes. The term phenomenon comes from the Greek word appearance. This seems fitting for this fixture, as what you see is what you get. The simple design gives a soft easy feel making it suitable for a wide variety of styles. Features a hand blown glass cone shaped shade with Gold or Silver hardware. The glass globe is mouth-blown thus the intensity of color and gradient may slightly vary. TRIAC dimming. Made in Czech Republic. Note: Requires ceiling support for fixtures weighing over 50 pounds.

Shown in silver / smoke grey
