Phenomena Large Globe Pendant

By Bomma

Description

The Phenomena Globe Pendant was inspired by simple shapes. The term phenomenon comes from the Greek word appearance. This seems fitting for this fixture, as what you see is what you get. The simple design gives a soft easy feel making it suitable for a wide variety of styles. The glass globe is mouth-blown thus the intensity of color and gradient may slightly vary. Mix and match pieces from this collection for a fun, stylish appeal. TRIAC dimming. Note: For fixtures over 50 pounds additional ceiling support, such as a robust 5/8 inch plywood backing, is necessary.
