Phenomena Large Globe Pendant By Bomma

Description

The Phenomena Globe Pendant was inspired by simple shapes. The refined design gives a soft, balanced feel making it suitable for a wide variety of styles. The glass globe is mouth-blown thus the intensity of color and gradient may slightly vary. Mix and match pieces from this collection for a fun, stylish appeal. Note: Requires additional ceiling support, such as a robust 5/8 inch plywood backing, for fixtures over 50 pounds.
