**DESCRIPTION**

The Dark Star Pendant is a small lighted object that is powerful in both design and craft. The light source is at the end of a pipe finished in Brushed Gold or Anthracite and then is placed within the mouth-blown glass piece, creating the shining center of a precisely cut Cigar colored crystal star. This fixture holds its own as a solitaire pendant, but makes a bigger impact when hung in multiples. TRIAC dimming..Note: Canopy provided (2.4 inch diameter) is smaller than standard US junction box. Ships with a white paintable j-box cover that fits over a standard 4 inch US canopy.
