Dark & Bright Star Multi Light Pendant By Bomma

Description

The Dark & Bright Star Multi Light Pendant is a grouping of small lighted objects that are powerful in both design and craft. The light source is at the end of each of the pipes finished in metal, the pipe is then placed within the mouth-blown glass piece, creating the shining center of a precisely cut polished or sandblasted crystal star. Includes White canopy, power supply and 98.4 inch cord lengths. Cords can be pre-cut to varying lengths (see attached manufacturer installation instructions for more information). TRIAC or 0-10V dimming.
