Bola Felt Pendant

By Pablo

Description

The Bola Felt Pendant is a uniquely expressive piece that has a 100 percent wool felt shade that adjusts to focus light where ever you desire. Features an Opaline globe below a felt Pebble Grey shade. Bola's thick felt shade also offers excellent acoustical properties making them perfectly suited for use over dining applications as well as social gathering areas where sound control is beneficial. Available in four sizes with Warm to Dim (2700K-1800K) or 3000K color temperature options. Dimmable with Triac, electronic low voltage (ELV) or 0-10V dimmer.
