Arlington Table Lamp

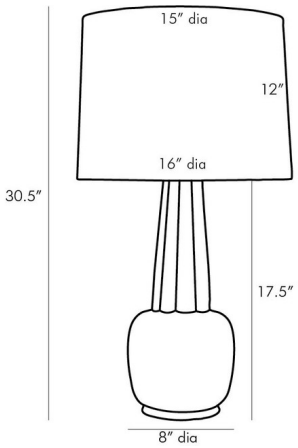

By Arteriors Home

Description

The Arlington Table Lamp has a traditional shape that features an elongated ribbed neck that towers atop a rounded base. A Celadon finish pulls where the neck and base connect, delivering an eye-catching element that accentuates its feminine frame. This sits on a gold finished platform for a more polished appeal. Topped with an Off White linen drum shade with off-white cotton lining and a matching porcelain finial. 3-way rotary switch is located on the lamp socket.
