Ari Table Lamp

By Arteriors Home

Description

The Ari Table Lamp has architectonic and tactile elements that define this structural piece. The Celadon Crackle finish beautifully breaks over the textured faade, pooling darker over the tops of the nodules while leaving other spots almost translucent. When in use, light cascades down the frame to deliver dramatic shadows to its surroundings. Topped with a Light Grey cotton drum shade with white cotton lining and a matching porcelain finial. Three-way rotary switch is located on the socket. UL listed.
