Aubrey Table Lamp

By Arteriors Home

Description

The Aubrey Table Lamp is defined by architectural elements and natural materials, a showpiece by any standard. A polished steel base finished in Antique Brass exhibits opal swirl crystal and snow marble orbs that accent its sleek frame. The smooth surface of the crystal is juxtaposed with the slightly textured faade of marble. Topped with an Off White linen tapered shade with off-white cotton lining and a 1 inch brass sphere finial. 3-way rotary switch is located on the lamp socket.
