Entra 3IN Round Bevel Trim with Shower Solite Lens

By Visual Comfort Architectural

Description

The Entra 3 Inch Round Bevel Trim with Shower Solite Lens is compatible with Entra 3 inch round new construction or remodel housings. Entra is a high-performance, reliable recessed lighting solution, delivering architectural-grade aesthetics and quality while meeting budget-sensitive residential and commercial specifications. This trim features die-cast aluminum construction with no seams, and does not warp or sag. The White finish is field-paintable for matching your ceiling. The shower lens includes a gasket. Notes: A complete fixture requires this trim and a housing, sold separately. The light module is included with the housing. This trim with shower lens is suitable for sauna or steam room use, only if used in combination with a new construction housing.
