## Dalrymple Table Lamp

By Lucas + McKearn

### Description

The Dalrymple Table lamp lends casual elegance and creates beautiful illumination in any space. This clean and simple design has a Midcentury Modern flair with a touch of Historical glam. The table lamp combines softly hued Smokey Olive Green and Clear glass in a unique, sweeping pattern. A shimmery drum shade perfectly matches the color running through the glass base. Uses Traditional French Wiring, connecting to the Polished Nickel stem and leaving the sculptural glass base untouched. On/Off switch is located on the lamp socket. UL and cUL listed.
