## Valencia Table Lamp

By Lucas + McKearn

### Description

The Valencia Table Lamp shows off its historical design inspiration with the use of a traditional French Wire design. The glamorous shape and color make this more than just functional for your modern home, its orange and amber colors lend artful appeal to your space. Crafted from a circular, translucent glass base showing the pulled and sculpted effect, it's topped off with an empire shade in a matching hue for a finished look. On/Off switch is located on the lamp socket. UL and cUL listed.
