ISO Monopoint Head

By Visual Comfort Architectural

Description

The Iso Monopoint Head combines sleek design with precision lighting. A range of beam spreads is available, and light direction can be adjusted using the 360 degree head rotation and 90 degree pivot. This light is suitable for residential and commercial applications including living rooms, galleries, and retail stores. A canopy, electronic transformer, and field replaceable LED module are included. Note: Color temperature 2700K is not available with CRI 90. The Aged Brass finish is not available for some lamp and size options.
