**DESCRIPTION**

The Vibe Speaker and LED Lantern is the ultimate portable music player. Wirelessly stream your music via Bluetooth, with up to 10 hours of playback. It is perfect for backyard parties, poolside, picnics, camping, beach, and travel with its easy to carry adjustable wood handle. Light your way with color-changing LEDs. Over 10 modes to choose from on the remote including music sync, gradual color cycling, single color modes, white light only, and dimming functions. Details: Wireless Speaker with high quality 5W amplifier easily syncs to bluetooth and wirelessly streams from over a 10m/33ft distance. Long Lasting Battery Life: Rechargeable LI battery 2000mAh, full charge via USB takes only 4 hours. Color Changing LED Lights: Over 10 modes to choose from on the remote, including 3 sync to music modes, gradual color cycling, white light only, and dimming functions. Up to 10 hours of continuous usage on lantern mode, 3-5 hours on dual LED lights plus speaker mode. Modern retro design with adjustable/removable wood handle and brushed stainless hardware. Lifetime warranty. Wet location rated.
