## Pixo Plus Table Lamp By Pablo

## Description

The Pixo Plus Table Lamp embodies concept, form, and lighting to bring a clean look to your interior space. Pixo Plus integrates convenient wireless induction charging technology as well as a USB-C charging port for the ultimate lighting experience. Features a 360 degree swivel light shade with 360 degree rotation and 180 degree tilt arm. This highly adjustable piece allows you to focus warm, glare free light where you need it most. Full range dimming from its intuitive optical switch. Available in Azure, Glow, Silver, Orange, White with a Brass arm, Graphite, Graphite with a Brass arm, or White finishes with a polycarbonate shade and base cover. ETL, PSE, RoHS, and CE listed.
