## Il Pezzo 12 Wall Sconce

By Il Pezzo Mancante

### Description

The Il Pezzo 12 Wall Sconce is a female figure suspended in the air, carrying the light in her womb. It's nimble and refined, perfect in a variety of spaces in your home. The solid, illuminated Clear crystal creates diffused ambient lighting and casts amazing patterns around the room. Each lamp is numbered and hides its own identity stamp that guarantees the authenticity and uniqueness of each piece. The collection is hand-made in Il Pezzo's atelier in Florence, Italy. ETL Listed. NOTE: Options available include a Round Canopy that covers a standard 4 inch octagonal junction box or a Rectangular Canopy that requires a 2x4 inch rectangular switch box (see line drawing).
