Soap Mini Multi Light Pendant By Bomma

Description

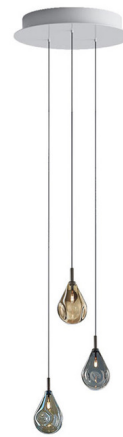

The Soap Mini Multi Light Pendant offers the magic of iridescence, the characteristic features of a soap bubble. When lit, their metallic sheen magically transforms to iridescent and translucent. Each piece is mouth blown crystal with a metal coating, making each piece an original in both shape and color. Includes canopy, power supply, and varying cord lengths depending upon color options (see attached installation manual for more information). Note: The 12-light and 26-light options require a junction box to support a fixture over 50 pounds.
