## Lens Multi Light Chandelier

By Bomma

### Description

The Lens Multi Light Chandelier gives you the perfect optic of pure crystal along with a hypnotic design. Light refracted through the lens is the fundamental principle of optics. Here, two lenses harmoniously encapsulate their interior source, playing a symphony of lights. Includes canopy in white finish, power supply and 98.4 inch cord lengths. Cords can be pre-cut to varying lengths (see attached manufacturer installation instructions for more information). TRIAC or 0-10V dimming. Note: Not all options are available.

Shown in brushed gold / clear
