## Compass Small Rings Chandelier By Framburg

### Description

The Compass Small Rings Chandelier's design is derived from a traditional aesthetic. A chain extends from the canopy down to a collection of rings that interlace. Branching from the rings are a collection of arms that gently swoop up and house the bulbs and beautiful Glass diffusers. Place the Compass over the dining table to add subtle sophistication to your home. Finished in Brushed Nickel, Mahogany Bronze, or Matte Black and with either Clear Seeded or Frosted Glass shades. UL listed. NOTE: Matte Black only available with Clear Seeded glass shades.

Shown in brushed nickel / clear seeded
