Compass Rings Chandelier By Framburg

Description

The Compass Rings Chandelier's design is derived from a traditional aesthetic. A chain extends from the canopy down to a collection of rings that interlace. Branching from the rings are a set of arms that gently swoop up and house the bulbs and beautiful Clear Seeded Glass diffusers. Place the Compass over the dining table to add subtle sophistication to your home. Finished in Brushed Nickel, Mahogany Bronze, or Matte Black. Available in two sizes. UL listed.

Shown in mahogany bronze / clear seeded
