Cascadia Pendant

By Matthew McCormick

Description

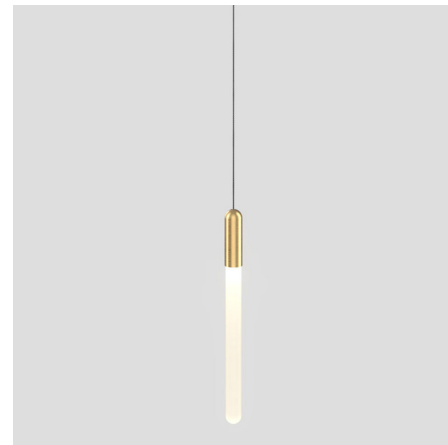

The Cascadia Pendant pays homage to nature and its effortless beauty. This pendant takes its name from the Canadian Cascades' white-capped mountain range and organic flow of waterways. The distinctive slender shape and soft gradation of the Opaline glow from the hand blown glass tubing hides the technical precision through an aesthetic of simplicity and a pureness in design. Whether hanging as a delicate fixture over a bedside table, over a dining table or cascading several down a grand stairwell, Cascadia translates into a look that is both contemporary and timeless.
