DESCRIPTION

The Cascadia Linear Pendant pays homage to nature and its effortless beauty. This pendant takes its name from the Canadian Cascades' white-capped mountain range and organic flow of waterways. The distinctive slender shape and soft gradation of the Opaline glow from the hand blown glass tubing hides the technical precision through an aesthetic of simplicity and a pureness in design. Whether hanging over a kitchen island, over a dining table or over a work station, Cascadia translates into a look that is both contemporary and timeless.
