Pier Dining Table

By hollis+morris

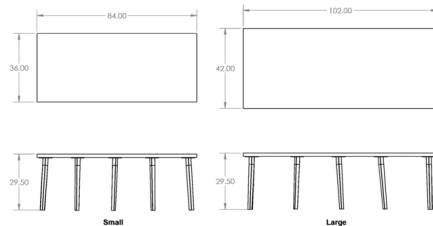

Description

The Pier Dining Table celebrates the distinct character of a seaside pier. Cold-rolled steel replaces the essential joineries of the solid wood table; a hard wax oil finish honors the natural grain of the Oak or Walnut. This wonderful combination results in a playful and mesmerizing form that functions as a perfect dining table for any contemporary space. Available in two sizes and in Walnut, Natural Oak, Black Oak, or White Oak finish with Black or White metal accents.

Shown in walnut / black
