## Fairbanks Sideboard

By hollis+morris

### Description

The Fairbanks Sideboard brings contemporary style for a storage solution. A subtle profile lends a transformative air to the Fairbanks, allowing it to rest in any space with ease. An angular metal grate suspends the solid wood structure into the air and slinging doors in powder-coated aluminum complete the contemporary look. Available in two sizes and in Walnut, Natural Oak, Black Oak, or White Oak finish.

Shown in natural oak
