By Muuto

Description

The Base Table references the heritage of Scandinavian design through its simple frame and subtle details. With its design harking back to the essence of a table, the Base Table comes with either a veneer edge for a touch of Scandinavian materiality or an edge in ABS for a monochrome appearance. Use Base in any workplace, educational institution, or hospitality space for notes of Scandinavian simplicity. Available in two widths, Base is a highly versatile piece that can suit any need and space.
