Base High Table

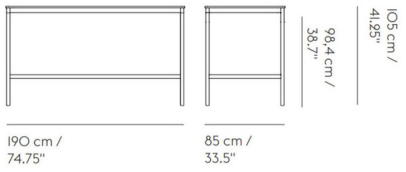

By Muuto

Description

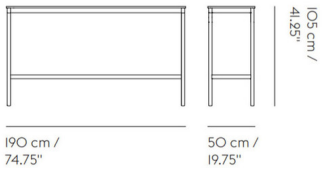

The Base High Table references the heritage of Scandinavian design through its simple frame and subtle details. With its design harking back to the essence of a table, the Base Table comes with either a veneer edge for a touch of Scandinavian materiality or an edge in ABS for a monochrome appearance. Use Base in any workplace, educational institution, or hospitality space for notes of Scandinavian simplicity. Available in two widths, Base is a highly versatile piece that can suit any need and space.

Shown in black / black and plywood

Edge to leg distance: 1 cm / 0.4"
