Cloudesley Chandelier

By CTO Lighting

Description

The Cloudesley Chandelier reflects an era of grandiosity. Repetitive oval forms of the glass give off a heavenly effect when illuminated and are arranged with an almost poetic rhythm. This fixture revisits classical lines and brings them to modern and sophisticated interiors. Available with Matte Opal glass and a Satin Brass or Bronze finish in three sizes. Largest size requires special rated junction box for fixtures weighing over 50 pounds. Note: Standard stem length is 39.4 inches and is field adjustable. Custom stem length is available upon request. Please specify overall drop length when ordering.
