Aria Lighted Mirror By Electric Mirror

Description

The Aria Lighted Mirror features rounded corners combined with a symmetrical inset border of light. Copper-free, corrosion resistant DuraMirror glass with forward facing 90CRI, 3000K color temperature, task lighting. Available with standard or Ava control options. Standard option can be controlled by an on/off switch or forward phase dimming switch. Ava Smart Look technology features tunable white LED lights that allow you to select the color temperature. Select between 6500K for a day of outdoor activities, 4600K for your daily routine, or 2700K for a night out on the town. Ava's on screen touch control interface makes it easy to cycle through 2700K, 4600K, 6500K, Night Glow and Off. At every level, hold to dim down to 10%. After one hour of use, Energy Save Mode automatically dims lights to 10%. Note: The Aria mirror must be installed in the W x H (width x height) orientation as listed; it cannot be installed in any other direction.
