Structure Chandelier

By Elk Home

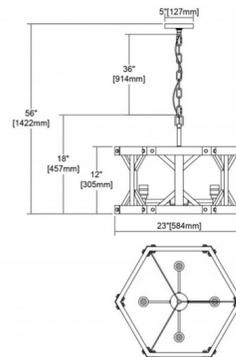

Description

The Structure Chandelier is modeled after the post and beam style that dates back thousands of years. Emulating this traditional building technique with a boldly scaled and intricate lighting design. Several solid wood pieces that are joined together into a complete fixture with accenting metal hardware fitted with over-sized nuts and bolts at each angle. Ideally suited for vintage style bulbs. Canopy: 5 inch diameter. UL listed.

Shown in satin brass / medium oak
