## Structure Semi Flush Ceiling Light

By Elk Home

### Description

The Structure Semi Flush Ceiling Light is modeled after the post and beam style that dates back thousands of years. Emulating this traditional building technique with a boldly scaled and intricate lighting design. Several solid wood pieces that are joined together into a complete fixture with accenting metal hardware fitted with over-sized nuts and bolts at each angle. Choose from Natural Wood with Oil Rubbed Bronze accents or Medium Oak with Satin Brass accents. Ideally suited for vintage style bulbs. UL listed.
