Mini Barcelona Wall Clock

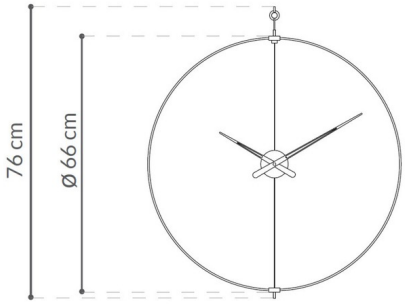

By Nomon

Description

The Mini Barcelona Wall Clock is perfect for placing on walls where the total prominence of the clock is not sought but only to add a touch of style and decoration to the space without overloading. Made of black fiberglass which adds dimension to what could have been a common wall clock. The needles made in walnut wood match the two wooden details on the lower and upper part of the clock, then there is the clock case and hands finished in polished brass. Place the Mini Barcelona next to the computer to give a modern touch to your workplace or in the bedroom so you always know the time. Requires 1 AA battery.

Shown in polished brass / black
