## Discovery Vertical Suspension By Artemide

### Description

The Discovery Vertical Suspension by Artemide, a groundbreaking concept from Ernesto Gismondi, masterfully blurs the lines between presence and absence, transforming from a seemingly imperceptible element into a breathtaking display of light. This fixture redefines what a luminous object can be. At its core, a slender ring, available in sophisticated Aluminum, Black, or Bronze finishes, subtly houses an advanced LED strip. This strip projects light into a specially engineered surface, composed of transparent PMMA and embedded with micro-particles so infinitesimally small that the surface is virtually imperceptible when the light is off. Yet, when activated, the transparent interior springs to life, appearing to magically fill with a perfectly diffused and uniform radiance, turning the void into a vibrant, emissive surface. This exceptional visual effect is not only mesmerizing but also highly functional. This fixture offers versatile control, being dimmable via both 2-wire dimming and 0-10V dimming systems, allowing for seamless integration into diverse lighting control setups and offering tailored ambiance.

### Specifications

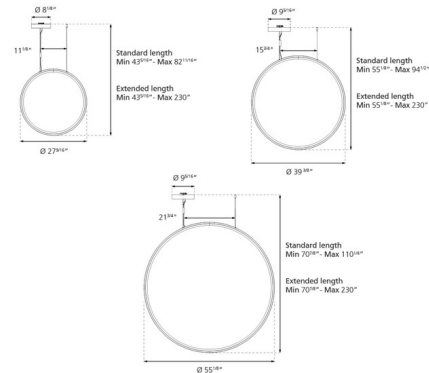

COLOR . . . . . Transparent  
 BODY FINISH . . . . . Polished Aluminum  
 WATTAGE . . . . . 40W  
 DIMMER . . . . . 0-10V  
 DIMENSIONS . . . . . 27.68"W x 27.68"H x 0.7"D  
 INTEGRATED LED MODULE . . . . . 1 x LED/40W/120-277V LED  
 COUNTRY OF ORIGIN . . . . . Italy

### Technical Information

PRODUCT DIMENSIONS . . . . . Canopy: 8.2" diameter  
 COLOR RENDERING . . . . . 90 CRI  
 LAMP COLOR . . . . . 3000K  
 LUMENS/WATT . . . . . 71.43  
 LUMINOUS FLUX . . . . . 2857 lumens

Shown in polished aluminum / transparent
