Gople Floor Lamp

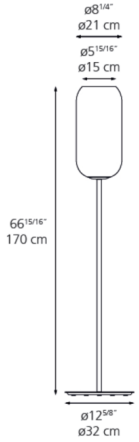

By Artemide

Description

The Gople Floor Lamp by Artemide, envisioned by the innovative Bjarke Ingels Group (BIG), is a sculptural illumination piece that beautifully marries the timeless artistry of hand-blown glass with a striking contemporary form. This lamp commands attention while creating an enveloping atmosphere of soft, diffused light.Its most distinctive element is a large, pill-shaped, hand-blown glass diffuser, meticulously crafted in Murano using ancient Venetian techniques. The inherent beauty and subtle variations of this artisanal glass ensure each Gople lamp is truly unique. The elegant shape of the glass effectively diffuses a soft, consistent glow, fostering a comfortable and serene ambiance throughout your room. Featuring a sophisticated Chrome stem and base, the shade is available in a stunning range of Silver, Copper, Bronze, White, or Blue gradient glass finishes, offered in two sizes to perfectly complement your interior. An intuitive dimmer on the cord provides effortless control over light intensity, ensuring this elegant piece adds a stylish and sophisticated touch to Contemporary, Traditional, and Transitional interiors.
