Gople Table Lamp

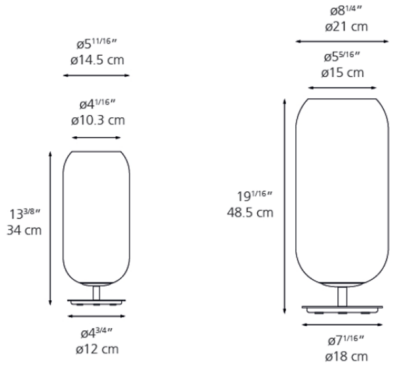

By Artemide

Description

The Gople Table Lamp, a captivating design by Bjarke Ingels Group (BIG) for Artemide, transforms illumination into an art form, blending ancient Venetian glassblowing techniques with a sleek, contemporary aesthetic. This lamp is a testament to the beauty of hand-crafted materials paired with thoughtful design.Its defining feature is a distinct pill-shaped, hand-blown glass diffuser, masterfully crafted in Murano according to time-honored traditions. This artisanal glass not only gives each lamp a unique soul but also perfectly diffuses a soft, inviting glow, creating a comfortable and enchanting ambiance in any space. The lamp is offered with a striking Chrome stem and base, complemented by a shade available in a sophisticated Silver, Copper, Bronze, White, or Blue gradient glass finish, and comes in two sizes to suit your needs. A convenient dimmer on the cord allows for effortless control of light intensity, ensuring this elegant piece adds a stylish and sophisticated touch to Contemporary, Traditional/Classic, and Transitional interiors.

Shown in chrome / bronze gradient
